[Banner Advertising WWW.JLAJAX.COM 5000](#) Banner Advertising at WWW.JLAJAX.COM

5000 Impressions. Each banner links directly to your website from ours. There are two types of banner advertisements you can display on our website..

The first is a 460x63 gif, png, jpg or FLASH banner that will be displayed at the top of the website. .

The second is a 120x600 gif, png, jpg or FLASH Tower banner, which will be displayed in the Advertisement section (left hand column) of our website.

Banners or towers submitted outside of these dimensions will be refused. If you need assistance creating your banner or tower please feel free to contact us.
